EU Liaison Officers of EU Supreme Audit Institutions  
EU Contact Committee Fiscal Policy Audit Network and Europe 2020 Audit Network

Joint Seminar  
Fiscal Policy Audit Network and Europe 2020 Strategy Audit Network  
Lisbon, 4-5 June, 2015

Dear Colleagues,

We are pleased to invite you to the joint seminar of the Fiscal Policy Audit Network and Europe 2020 Strategy Audit Network to be held in Lisbon on the 4<sup>th</sup> and 5<sup>th</sup> June 2015.

Based on the conclusions of the 2014 seminar and also the agreement reached in the October meeting of the liaisons officers, the joint seminar will concentrate on a twofold objective: i) to discuss and share experiences on the challenges for SAI's work in the field of fiscal policy and European economic governance, and the European strategy for smart, sustainable and inclusive growth "Europe 2020 Strategy"; and ii) to prepare for conducting the parallel audits to be launched in 2016.

The two days working seminar will include a presentation from a guest speaker, and a thematic session on methodologies and practices on the parallel audits, as well as two sessions covering the themes of the Fiscal Policy Audit Network and the themes of the Europe 2020 Strategy Audit Network.

In the spirit of last year's seminar we would like to emphasize the importance of presentations from the participants that focus on audits and practical cases on discussed topics. We also welcome views and experiences on parallel audit methodologies. This enables us to reach fruitful seminar conclusions.

The Seminar starts at 9 a.m. on June 4<sup>th</sup> and ends at 5 p.m. on June 5<sup>th</sup>. Please find enclosed the draft agenda covering the main themes. A more detailed agenda will be sent to participants after receiving the presentation proposals.

We look forward to meet you in Lisbon and we count on your active participation in this joint seminar.

Sincerely Yours,

Guilherme d'Oliveira Martins  
President, Tribunal de Contas

Tuomas Pöysti  
President, National Audit Office of Finland
