Joint Seminar
Fiscal Policy Audit Network and Europe 2020 Strategy Audit Network
Paris, 3rd-4th May 2018

Dear Colleagues,

We are pleased to invite you to the joint seminar of the Fiscal Policy Audit Network and Europe 2020 Strategy Audit Network, which will be kindly hosted by the Cour des comptes of France on the 3rd and 4th of May 2018. The First President of the Cour des comptes, Didier Migaud, has prepared a welcome booklet to all Participants, which is annexed to this invitation.

The aim is to continue promoting SAI's work in the field of fiscal policy and European economic governance, as well as in the European strategy for smart, sustainable and inclusive growth "Europe 2020 Strategy" at a national level and in a parallel manner by sharing methodologies and good practices.

In the spirit of previous seminars, we invite the participants to contribute to these themes and share the work under way. This enables us to reach fruitful seminar conclusions both in terms of work achieved but particularly on the identification of the main challenges we share.

The Seminar starts at 9 a.m. on May 3rd and ends at 4 p.m. on May 4th. The first working day will be dedicated to the themes of the Europe 2020 Strategy Audit Network and the second day will be covering the topics of the Fiscal Policy Audit Network. A more detailed agenda will be sent later after receiving participants's feedback about the main themes and presentation proposals.

We look forward to informative discussions in Paris and we count on your SAI's active participation in this seminar.

Sincerely Yours,

Vítor Caldeira
